

Build and Break Crew Member

As a member of the build and break crew you will be the backbone of our team. During the season the role will predominantly involve the setting up and furnishing of our structures on site. However the ability to be adaptable is important as there is always a variety of tasks and every site presents different challenges and requirements.

Remuneration is between £10.50 and £13.50/hour depending on experience.

Main responsibilities will include:

- Set up and take down of the various structures owned by Green Yurts including: Yurts, Bell Tents, Marquees and Stretch Tents
- Furnishing those structures to a high specification
- Safely distributing and collecting kit
- Fulfilling any reasonable request
- Acting as a porter during guest check-in periods

The qualities we look for in our crew members are:

- A strong sense of teamwork
- Ability to carry out prolonged, physical work across the season
- Hardworking and diligent
- Good judgement and an eye for detail
- Enjoy outdoor work and lifestyle
- Ability to use initiative to solve problems as they arise
- Polite, helpful and friendly approach to guests

Other benefits include:

- All food on working days provided
- Travel allowance
- Accommodation if required
- Tickets to the events and festivals you work at*

Applications including C.V. by e-mail to sam@greenyurts.co.uk

*There may be instances where we are unable to provide a ticket to private or corporate events
